You can post a non-targeted sourcing request in the following 2 methods:

**Method 1:** enter the Canton Fair homepage, click “Go to Supply & Demand Hall” in the “Global Business Matchmaking” section, and click “Post Sourcing Request” to place a non-targeted sourcing request.

**Method 2:** click “Post Sourcing Request” in your buyer account “Overview” to post a non-target sourcing request to the matchmaking system.
Click “Post Sourcing Request” to enter the basic information in the non-target sourcing request submission page.

You can fill in the non-targeted sourcing request based on your needs. [Notes] To get more accurate exhibit recommendations, you can enter more detailed sourcing information.
